# First version control project

Oliver Mulville

2025-06-11

Hello everyone! This is my first attempt to use GitHub and Git on my own. I will be making lots of changes here and this document is for my own learning only.

Here is a nice little plot, with speed against distance:

A summary of the data frame is given below

```
library(knitr)
kable(summary(cars))
```

speed	dist
Min. : 4.0	Min. : 2.00
1st Qu.:12.0	1st Qu.: 26.00

speed	dist
Median :15.0	Median : 36.00
Mean :15.4	Mean : 42.98
3rd Qu.:19.0	3rd Qu.: 56.00
Max. :25.0	Max. :120.00
